

Activity 3: Gathering

As sunset gets closer, in the Mabelle Park people are gathering with hand-made flags. You can create your own flags on our drawing/colouring sheet, illustrated by Banafsheh Erfanian, using images from community workshops.

1. Listen to the Gathering Podcast and view the Gathering Illustration at <https://bit.ly/gatheringact3>
2. Print or save the Gathering Colouring Sheet.
3. Enjoy colouring the top and bottom flags
(if you don't have a printer, colour on your phone or other device OR draw your own flag outline in your own style and jump to step 4)
4. Design and colour your own middle flag, taking inspiration from our second activity: thinking about how you are spending your time and enjoying your surroundings during these days and times of waiting.
5. Photograph or scan your finished sheet and send it to info@jumbliestheatre.org
